Visit the world's largest single-site brewery at the foot of the Rocky Mountains and experience traditional brewing! Since 1873, our legacy has been built on quality, innovation, and customer service. Reservations are required for all tours. Please note that Colorado law requires guests consuming alcohol to be at least 21 years old and provide a valid ID. We only accept current IDs such as driver's licenses, passports, state ID cards, and military IDs. Children under the age of 20 must be accompanied by an adult over 21. Our tour focuses on adults who have reached the legal drinking age, but younger visitors will also enjoy learning about manufacturing, science, and agriculture. We offer soft drinks in our hospitality lounge for guests of all ages. Please keep a close eye on your children as we are located in a manufacturing facility with an active construction site nearby. As a food manufacturing facility, we do not allow bags or outside food and drink (except water) due to safety and security concerns. Smoking, illegal drugs, prior consumption of alcohol, and weapons are also prohibited. Strollers are not allowed for safety reasons, but wearable baby carriers and diaper bags with limited baby supplies are permitted. Trained service animals are welcome, and we do not allow solicitation or petitioning on our premises. We cannot store prohibited items, so please make sure to leave them at home. Coors Brewery Tour Staff will not hold your personal items during the tour. If you have any questions or concerns, feel free to contact us. **Accessibility and Visits** We welcome visitors with disabilities to our Coors Brewery tour.
